About the Trip

Iran is located in western Asia with more than 82 million population. Iran is the second largest country of the Middle East and the 17th largest one in the world. Iran is a marvellous country surrounded by stunning forests, jungles, mountains, and seas. Its culture, history and architecture goes back to ages ago.It`s a country well-known for its hospitable and warm-blooded people Yazd is the most magnificent city of Iran, second oldest city in the world and is a UNESCO`s World Heritage List. This amazing city is known as "City of Windcatchers". Its fabulous architecture of the houses and wind catchers at the top of the houses are the best way to escape the hot and dry summers .of Yazd. A city that dates back to the 15th century and the city has preserved its authenticity

YAZD

when planning the
tours, we do consider
all the possibilities that might
affect the tour. Unexpected incidents
like geographical, political, and social
can cause some changes in the tour
During fall and winter ascends, due to the unstable weather
condition we have a day as “reservation day”. The cost of this day is
nonrefundable and is added to the total cost of the trip and even if it is not
used the money will not be given back to the tourist
Our tours are absolutely tailor made and any changes that you have in mind will be applied to the tour.You can add or omit acclimatization day,cultural tours,and extend or shorten the days of your tour

More to Keep in Mind

IRMAN
Irman Travel Group

When there is a need to ascend to the shelter extra luggage will be transferred by mules and you will have light backpack with just essentials

As the law of the Islamic country female tourists must have hijab. Scarf, long sleeve blouse which are up to mid-thigh length, and pants are required. Men shall not wear shorts in public places

Iran`s currency may seem a tad difficult to follow but you will get used to as you shop once or twice. The formal format and name of Iranian money is Rial but Tooman is common between people. (10,000 Rials = 1,000 Tooman)
